

# MCM Communication

We are pleased to share that our Retirement Plan Services team has been recognized by *Plan Adviser* magazine - a nationally circulated publication distributed to advisers – as being among the top retirement plan advisers/teams.

MCM was ranked in a couple of categories, including teams with 100 or more plans and teams with 20% or more in non-qualified plans.

Our retirement plan services team has done a wonderful job and this is a well-deserved acknowledgement of their hard work.
